

## What's special about Bourbon Vanilla?

*Bourbon* Vanilla is known to be the world's best and most creamy vanilla.

It comes from Madagascar and nearby islands and is named 'Bourbon' due to historical French influence in that part of the world. Although vanilla also comes from places like Indonesia and Mexico, *Bourbon* Vanilla is distinct in its origin, quality, taste and aroma. Malagasy vanilla remains unmatched.

## Why buy Khoisan Tea Bourbon Vanilla?

Khoisan Gourmet has its own ORGANIC plantations in Madagascar. In fact, it runs one of the largest successful organic projects there and exports the *same* high-quality Bourbon Vanilla for South African and international clients.

Khoisan Gourmet's brand Khoisan Tea guarantees that its **Organic Bourbon Vanilla pods, powder, extract, sugar, caviar and grinders** (made from finely-ground pods) are authentically and purely grown in accordance with 100% organic certification.

There is no genetic modification and nothing artificial / no preservatives are added to any Khoisan Tea Bourbon Vanilla product.

Vanilla is the second-most expensive spice in the world (after saffron) but Khoisan Tea makes it affordable by selling it in 4-6g pod format , 10g powder format, 50ml extract format, 25g caviar format and 18g grinder format (all net weights).

Ready-to-eat and Ready-to-mix.

Simply read the short instructions on the units.

Khoisan Tea always has reliable and consistent volumes.

Khoisan Tea is fast becoming a household name for end consumers wanting to use authentic pure Bourbon Vanilla and spin-off products.
