

## What's special about Rooibos Tea?

**Naturally caffeine free** – it has a soothing effect on the body and can be enjoyed both day and night

**Naturally low in tannins** – it will never taste bitter and is naturally sweet

**Naturally high in antioxidants** – these limit the effect of free radicals found in the body

**Pure and natural** – contains no additives, preservatives or colourants

**Virtually calorie free** – suitable for people on a kilojoule restricted diet

It is a pure, herbal tea grown **only in the Western Cape of South Africa** – nowhere else in the world

## Why buy Khoisan Gourmet Rooibos?

Khoisan Gourmet is a producer and global exporter of Rooibos Tea. Annual capacity 3500 tons Rooibos.
